

Tokyo Business Continuity

Vincent Poirier, cissp

Vincent Poirier consults on business continuity management, information security, and IT governance. He came to Japan in 1989 and has worked for Ricoh, ANZ Bank, Citibank, Depfa Bank, and TUV Rheinland. He has taught Information Technology Management at Sophia University.

Mr. Poirier was born in Montreal, Canada and attended McGill University, obtaining a B.Sc. in Mathematics in 1988. In 2007 he received from ISC2 the CISSP designation (Certified Information Systems Security Professional) the information security industry's gold standard certification. He lives in Tokyo with his family.
